

Rest in Peace

当スクールで飼育しておりましたウサギのななちゃんが、12月5日（月）永眠致しました。もともとは、ペットショップで、ブリーダーをしていたウサギですが、里親募集で出ていたものを、当時の Kinder のお子様が見かけてスクールで飼育して欲しいという事が、きっかけで飼い始めたうさぎさんです。子供達に触られても嫌がる事もあまりなく非常に人なつっこい性格で、皆に愛されてきました。

これまで両足を怪我して、不自由な動きは続けていたものの昨晚までは元気にえさを食べておりましたが、朝倒れているところを発見し、抱きかかえて、彼女が好きだった櫛を頭や体にかけてあげると少し落ち着いた様子を見せてくれました。その後お医者さんに向かう途中に息絶えてしまいました。7歳4か月でした。

安らかにお眠りください。

On December 5th, our lovely pet "Nana-chan" passed away. She was originally from a pet shop and was giving birth. After getting older, pet shop asked for a foster family and K3 student asked the school to keep it at school. That was the beginning. Since then, she has been loved by children a lot. She did not care much to be touched by children.. Although she got her legs injured and has suffered a lot on walking, she has been eating well and looked healthy. But this morning I found out her lying and held her and combed her head/ body which she loved to be done. She looked a little relaxed and peaceful. But on the way to the doctor, she passed away. She was 7 years and 4 months.

we prayed for her and we have cremated her at school.

Rest in peace.
